भारत का राष्ट्रगीत

वन्देमातरम का अर्थ है कि, मैं अपनी माँ "मातृभूमि-भारत" से प्रार्थना करता हूँ। सन् १८५७ के प्रथम स्वतन्त्रता आन्दोलन के बाद मातृभूमि के प्रति उमड़ रहे प्रेम एवं सन्यासियों के विद्रोह के समय इस गीत को श्री बंकिमचंद्र चट्टोपाध्याय ने सन् १८८२ में अपने उपन्यास आनन्दमठ में बंगाली और संस्कृत मिश्रित भाषा में लिखा था। इस गीत ने भारतीय स्वतन्त्रता अभियान के समय में महत्वपूर्ण भूमिका निभाई थी। पहली बार श्री रविन्द्र नाथ टैगोर ने भारतीय राष्ट्रीय कॉंग्रेस अधिवेशन में इस गीत को गाया था। भारत की स्वतन्त्रता के बाद सन् १९५० में इस गाने के पहले दो छन्दों को "राष्ट्रीय गीत" के रूप में अपनाया गया। आइये सशक्त एवं वैभवशाली राष्ट्र के निर्माण के लिए "मातृभूमि-भारत" का वन्दन करें।

वंदे मातरम्, वंदे मातरम्!
सुजलाम्, सुफलाम्, मलयज शीतलाम्,

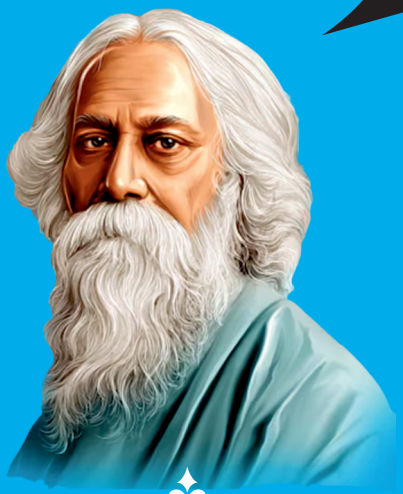
वंदे मातरम्, वंदे मातरम्॥

भारत का राष्ट्रगीत



रवींद्रनाथ टैगोर (ठाकुर) द्वारा मूल रूप से बांग्ला में रचित गीत 'जन–गण–मन' को संविधान सभा द्वारा 24 जनवरी, 1950 को भारत के राष्ट्रगान के रूप में हिंदी में अपनाया गया था। इसे बजाने का समय लगभग 52 सेकंड है।

जन–गण–मन अधिनायक जय हे
भारत भाग्य विधाता।
पंजाब–सिन्धु–गुजरात–मराठा
द्राविड़–उत्कल–बंग
विध्य हिमाचल यमुना गंगा

जय हे, जय हे, जय हे, जय जय जय जय हे।।

Message from the Secretary, Board of Management

Dear Learners

I feel honoured as the Secretary of *Dayanand Siksha Sansthan* to welcome you all to the new academic session at D.B.S. (P.G.) College, Dehradun—a temple of learning nestled in the valley of Doon, with a rich history, culture, and educational excellence.

As you embark on your new academic journey, remember that education is not just about earning a degree, but about discovering yourself, your potential, building a strong character, and preparing yourself to serve the nation and the world.

At D.B. S. (P.G) College, you are part of a vibrant community that values inclusivity in all forms. Try to make the most of every opportunity. Other than academics, you may join NSS , NCC, Rovers , Rangers , Sports group, Cultural groups, Social Services groups, competitive examination students' clubs, research groups, etc. If you have an interest in Indian Traditional Knowledge systems, you may join the IKS *Samuha* 'प्रज्ञावन्तः (prajñāvantaḥ), *Srimadbhagavatgita* classes, etc. There are numerous opportunities for developing your potential and exploring your aptitude.

The Alumni of this college are placed in renowned organisations like the International Monetary Fund, the Giri Institute of Developmental Studies, the Indian Armed Forces, the Bhaba Atomic Research Centre, the Indian Administrative Services, GSI, Wadia Institute of Himalayan Geology and various well-known institutions across the world.

The college has collaborated with various institutions like NIELET, UoU, ISS, New Delhi etc to help the students develop skills in various areas of knowledge. We are also focusing on the skill enhancement of students by offering Skill Enhancement courses and helping students to join as interns in various institutions. We provide platforms to the students for vocational training, internships, skill development, language competency, career opportunities, research, Industrial Training, capacity building, laboratory sharing, etc. Our glorious Alumni list reflects the credibility of our pass-out students.

This is the fourth year of the New National Education Policy, and we are offering options for Honours in various disciplines to the students under the guidance of our affiliating University. I am sure that more and more students will benefit by doing an honours degree from a Central University by joining our college.

I wish you all a very bright future.

Manvendra Swarup
Secretary,
Board of Management

From the Principal's Desk

Dear Students

As I begin a new academic session here, I am deeply aware of the trust placed in me and committed to furthering the vision of this esteemed institution with a long legacy in one of the best teaching and learning environments in higher education.

The world today offers immense opportunities, but also great challenges. It is your *sankalp* – your resolve - that will shape not only your future but also contribute to the progress of our great nation. I must congratulate you on choosing one of the best academic institutions of higher learning in the region.

The college has not only excelled in academics over the years but also proven itself in various extracurricular activities. In the last academic session, our college bagged first position in inter-collegiate debate competition, second position in Mimicry, Poetry, one-act play, and third position in Group Song(Folk), Western Song, Mime, Poster Making, and Rangoli competition. In 2024-25, many of our students have been selected through inter-collegiate, inter-university sports meets for National and international sports competitions. Two of our students have been selected in Rayat Bahara University. Mohali for Chess, three students at Punjab University, Chandigarh for baseball, two students at GNA University, Phagwara for football, one at Gurukashi University, Bhatinda, and another at LPU, Phagwara for Kabaddi, one student for volleyball at Geeta University, Sonepat, and another for volleyball at Gurukul Kangri University, Haridwar. In basketball, two students have been selected for Kurukshetra University, and in handball, one student was selected at Himachal Pradesh University and another at Ch. Ranbir Singh University.

The IKS cell of the college has started the *Srimadbhadgwadgita* certificate course in association with ISS, New Delhi, from 2024-25. 52 students had enrolled for the course. We are looking for more enrolment in the current academic session. We already have an annual college magazine 'Vigyanda' and an IKS wall magazine 'Anvīkṣā' where students and faculty members get a platform to reflect upon various issues and take part in literary activities. In the last academic session, we also started a quarterly bulletin of the college 'DBS speaks'. The college has also collaborated with the ICICI Foundation for rainwater harvesting. The initiative is a part of the sustainable development of the college campus. Our NSS, NCC, Rovers, and Rangers cadets, volunteers are making a mark at the National level, and our students are actively involved in Social Services, Rural development, etc through SSD activities.

This is the fourth year of NEP and we have several challenges before us, but with the cooperation of our learned faculty members and staff, I am sure that we shall witness a vibrant and productive academic session in 2025-26, which will help you to unfold yourself and your potential every day.

My best wishes and blessings to all of you

From the Vice Principal's Desk

Dear Students

D.B.S (P.G.) College, Dehradun is a vibrant learning community that fosters collaboration among management, faculty, students, and parents. The strength of this cooperation has been reflected in the growth and success of our students over the years.

Today, D.B.S. (P.G.) College, Dehradun, is a name synonymous with leadership and scholarship, be it in academics, extracurricular or co-curricular activities. The College has proven itself time and again that it is one of the best in this region. Our students are achieving top ranks in University examinations in various disciplines. In the last academic session, our NCC, NSS , Rovers and Rangers volunteers/ Cadets have shown their credibility not only at the state level but also at the National level. A good number of our students have been selected for national-level sports competitions. Our students have bagged many prizes in intercollegiate cultural and literary activities in the last academic session.

The future of *Viksit Bharat* is in your hands but you have to be skilled and capable to face all challenges in this new Digital World. We believe in the capacity of every student to grow and excel in his/her field as everyone is gifted with different talents and infinite potentials. To help you in this direction, we have collaborated with many organizations and established facilities to develop your skills. As an initiative for a sustainable campus, we have started rainwater harvesting in collaboration with ICICI in this academic session. For a lesser carbon footprint, we are already using a significant portion of solar energy on our campus. A critical learning resource in this college is the e granthalaya, which will help you to access the e-catalog of the college library and know the availability status of the books.

Our faculty members are continuously upgrading themselves by joining various FDPs, Workshops, Short Term Courses, Refresher Courses etc, and presenting research papers in institutes of higher learning in India and abroad.

We are in the process of submitting the SSR for the fourth cycle of NAAC. It is my ardent hope and vision for the road ahead that we will continue to combine the best of our strengths and collectively build on our long legacy of excellence.

As we roll out the fourth year of Undergraduate NEP 2020 and navigate through its complex maze, we shall not lose sight of our most compelling goal- to create an educational environment where we prepare the young minds of today to be the architects of tomorrow- whether in academics, research, leadership, or advocacy.
Looking for a vibrant year ahead with your cooperation.

श्रम एव जयते Only hard work triumphs.

FOUR-YEAR UNDERGRADUATE PROGRAMME (FYUP)
[w.e.f. ACADEMIC SESSION 2025-26]

The following course descriptions, course structure, and other relevant information will apply exclusively to students enrolling in undergraduate programmes for the first time in the Academic Session 2025–26:

Descriptions related to the Contents

(a) Credit

The number of credits assigned to a course reflects the minimum time commitment required by a student in the form of lectures, tutorials, and practical sessions. As per the standard academic structure:

- One credit is equivalent to one hour of classroom teaching per week, or
- Two hours of practical/tutorial work per week.

Each semester shall comprise a minimum of 20 credits. To successfully complete a semester, a student must earn the required credits by passing the prescribed examinations and fulfilling course requirements.

Selection of Major and Minor Subjects (FYUP in Arts/Science)

(b) Major Course

In the first semester, students are required to select one Major and one Minor subject preferably from the same broad subject group. However, in cases where this is not feasible—either due to the student's preference or institutional constraints—students may opt their Minor subject from a different group. This flexibility shall be exercised within the framework of broad subject groups as defined by the University.

From the **second semester** onward, students will continue with three subjects: one Major, one Minor, and one Multidisciplinary/Interdisciplinary (MD/ID) subject.

Major: The Major discipline represents the principal area of academic specialization within a degree programme. The degree shall be conferred in this discipline. The student must attain a minimum of 50% of total credits in a discipline to earn an undergraduate degree with a major in that discipline. The Major consists of a well-defined set of courses aimed at building comprehensive knowledge and competence in the subject. It includes both Discipline Specific Core (DSC) Courses, **Discipline Specific Elective (DSE) Courses** and **Skill Enhancement Courses (SEC)** related to the core subject. To earn a degree with a major, students must meet the minimum credit requirements specified for different program categories.

Level of Courses offered under Major Category in different years of FYUP

Major courses in the first two semesters (I & II) will be Introductory level courses, in the next two semesters of FYUP, i.e., (III & IV Semesters) they will be of Intermediate-level. Further in the third year of FYUP, i.e., (V & VI semesters), they will be higher-level courses. In the fourth year of FYUP, i.e., (VII & VIII semesters), the Major courses offered will be higher-level courses or Advanced-level courses or a combination of both levels of courses. The following are the different categories of Major courses to be offered under FYUP:

Core Course/Discipline Specific Core Course (Major): These are mandatory courses associated with the Major discipline that every student must complete. They provide foundational and advanced knowledge essential to the core subject.

Core Elective Course/Discipline Specific Elective Course (Major): These are optional/elective courses within the Major discipline, offered as a pool of subject-specific papers. Students are given the flexibility to select courses based on their academic interests or career goals, allowing for a degree of customization within the Major framework.

Core-Specific Skill Enhancement Courses (SEC): These courses are directly aligned with the core discipline(s) chosen by the student under the FYUP. Core-specific. The skill courses aim to enhance the skills of the students based on the core courses opted by them under the FYUP. These are specialized skill-based courses aligned with the core subjects offered by the departments. Additional skill-oriented courses will also be provided under various categories. Skill Enhancement Courses (SEC) are further available as part of the Minor Course offerings.

SEC are also offered as AMSC (Additional Multidisciplinary Skill Courses) in the Second Year of FYUP.

Vocational Course/Field Visit/Internship: Vocational courses are designed to equip students with industry-relevant skills through specialized training tailored to the needs of entrepreneurs, businesses, and industries. The objective is to ensure that graduates are employment-ready and possess the practical competencies demanded by the job market. Internships further enhance this by offering students the opportunity to work in professional environments where they can apply their classroom learning, develop workplace skills, build industry connections, and gain insights into career pathways. In addition to providing students with practical, experience-based learning, fieldwork/field visit aims to expose them to real-world socio-economic and societal challenges, allowing them to bridge the gap between theory and practice and develop effective solutions to real- life problems.

Project Report: The Project Report course under NEP 2020 aims to cultivate research aptitude, analytical thinking, and academic writing skills among students. It provides hands-on experience in identifying problems, collecting data, and presenting findings systematically. This experiential learning component enhances subject- specific understanding, promotes interdisciplinary approaches, and prepares students for research-based higher education or professional roles in diverse fields.

(c) Minor Course

A Minor discipline provides students with an opportunity to broaden their knowledge and skills beyond their major discipline. The Minor courses include discipline-specific courses, skill courses, community outreach-based courses and multi-disciplinary/inter-disciplinary (MD/ID) courses in the FYUP. A minimum of 32 credits will be offered under Minor Courses in a four-year undergraduate programme, while a minimum of 24 credits will be offered in a three-year undergraduate programme. Students must earn these credits through approved Minor Courses. However, to obtain a degree with a Minor in a particular subject/discipline, students must also fulfil the minimum credit requirements specified for their respective programme categories.

(c.1) Discipline Specific Minor: The Discipline Specific Minor courses include a selection of courses from a specific discipline, opted by a student, that meet the credit requirements for the minor. Skill Enhancement Courses (SEC) will also be offered under the minor courses.

Community Outreach: The curricular component of 'Community Outreach' will involve activities that would expose students to the socio-economic issues in society so that the theoretical learnings can be supplemented by actual life experiences to generate solutions to real-life problems.

Level of Courses offered under Discipline Specific Minor Category in different years of FYUP

Discipline Specific Minor courses in the first two semesters (I & II) will be Introductory level courses, in the next two semesters (III & IV Semesters) they will be of Intermediate-level. Further, if offered/opted in the third year (V & VI semesters)

they will be higher-level courses. In the fourth year, the Discipline Specific Minor courses offered will be higher-level courses or advanced-level courses or a combination of both level of courses.

(c.2) Additional Courses-ID/ MD Courses (Minor): In addition to discipline-specific minors, students enrolled in Undergraduate (UG) programmes will also have the opportunity to pursue additional minor courses, categorized as Interdisciplinary (ID) or Multidisciplinary (MD) courses.

In case of ID/MD courses, the students are not allowed to choose or repeat courses already undergone at the higher secondary level (12th class or equivalent grade level). The College will follow university guidelines in ID/MD for allocation of subjects.

Note:

1. Students shall have the option to continue pursuing the same additional course (Interdisciplinary or Multidisciplinary) as minor course in the VII and VIII semesters of the FYUP.

Value Addition Course (VAC)

These are the courses which are apart from any discipline related courses and aims to add value to the overall personality and development of an individual while focusing on areas such as Connecting to Environment and Community, Understanding and Connecting with Environment; Culture, Traditions and Moral Values, etc. It is compulsory to study all these Value-Added Courses as offered by the University in different semesters.

(d) Ability Enhancement Courses (AEC)

These courses aim to enhance the different capabilities and abilities of the students which will help them grow in very field of life and will help in their holistic development. Indian, Modern Language, Indian Knowledge System and Communication Skills are the courses offered under the AEC. Some of the courses offered under the AEC category are designed to strengthen students' skill sets and may also be classified as Skill Enhancement Courses (SEC), depending on their content and learning outcomes. Communication Skills, Indian Knowledge System and other such courses enhancing the different skillsets of the students will also be categorised under Skill Enhancement Courses.

Language Courses: Under the Indian and Modern Languages Course category, students are offered language courses designed to help them learn new languages of their choice. A pool of languages will be made available, from which students may choose to study one language in each semester and another in a subsequent semester, each carrying 2 credits.

Note : University Order and availability of subjects will be applicable For single Major Programmes Offered Under FYUP In Arts And Science

*Three Year Bachelor's Degree (Multidisciplinary Programme) (In case of Exit under FYUP) w.e.f 2025-26

Three-Year Bachelor's Degree (As an exit option after VI Semester under FYUP) A student who opts to exit the Four-Year Undergraduate Programme (FYUP) after successfully completing six semesters shall be awarded a Three-Year Bachelor's Degree with a Major in one subject, provided she/he have earned a minimum of 64 credits in the major discipline out of a total of 128 academic credits. ACADEMIC REQUIREMENT

a) Attendance Rules

It is mandatory for a student of a Course / Programme of the University to put in 75% attendance in all classes including Lectures, Tutorials, and Practical's (wherever applicable) in respect of each subject/paper separately. Students failing in meeting aforesaid minimum attendance criteria shall not be permitted to appear in the internal /sessional Examination for the course being pursued during the academic session concerned.

Candidates are hereby informed that their attendance is reported to the Chief Minister's Office, Uttarakhand, regularly.

b) University Examination and Promotions

From 2018 onwards university examination fee is deposited online in the university account along with the filing of the online examination form. A copy of both will have to be submitted to the college office for further action.

The university examination schedule and rules of promotions as prescribed by the HNB Garhwal Central University will be applicable. Students are required to fill online university examination forms and fees and deposit their hard copies in the college office as per the schedule of the university.

Internal Assessment (Sessional) There will be two sessional tests/internal assessments and one end semester examination for PG Students and one sessional test and one end-semester examination for UG students.

For PG students 40% of the total marks in each paper will be reserved for internal assessment and 30% for UG students. Similarly, there will be one sessional for each practical of the same weightage. Students shall compulsorily attend the sessional tests. The sessional test as part of the continuous internal assessment shall be conducted and evaluated by the teacher offering the course.

For UG Students

Candidate who put in 75% attendance in I and II semester separately but fails to acquire 20 credits in UG I and II semester together shall not be promoted to the III semester ,in that case he/she shall cease to be a regular student.

A candidate who thus having ceased to be a regular student, acquires the minimum number of credits for promotion to III semester, shall re-register himself/herself as a regular student for appearing at the examination of III semester.
Provided that a regular candidate who have fulfilled the minimum attendance requirement, fails to secure the required number of credits for promotion to the III semester, may apply for re-registration as a regular student in the I or/and II semester. He/She shall have to fulfill the attendance requirement afresh and shall again perform sessional work and practical and shall appear in the End Semester Examination of all the courses at the next examination of I and II semesters. Any marks obtained in the immediately preceding year and the attendance being disregarded. Similarly a regular candidate who having fulfilled the minimum attendance requirement, fails to secure the required number of credits for attaining degree, may apply for re registration as a regular student in III and/or IV semester. (S)he shall have to fulfill the attendance requirement afresh and shall again perform sessional work and practical and shall appear in the End Semester Examination of all the courses at the next examination of III and IV semesters. Any marks obtained in the immediately preceding year and the attendance being disregarded. However, no candidate shall be permitted to continue as a regular student for more than two times in any semester.

For PG Students

The criteria are the same as mentioned above for UG Students. A candidate who puts in 75% attendance in the I and II semesters separately but fails to acquire 18 credits in the I and II semesters taken together shall not be promoted to the III semester

INSPIRE FAQs (https://online-inspire.gov.in/Content/SHEFAQs.pdf)
To ensure timely disbursement of Scholarships to students on a common portal for various Scholarships schemes and to Avoid duplication in processing, Government of India developed National Scholarships Portal under the National e-Governance Plan which aims at providing common electronic portal for implementing various Scholarships schemes launched by Union Government, State Government and Union Territories across the country. Central Schemes include scholarships provided by the Ministries (Minority Affairs, Social Justice & Empowerment, Labour & Employment, Tribal Affairs, Home Affairs, and Railways) and Departments (Empowerment of Persons with Disabilities, Higher Education, and North Eastern Council(NEC), DoNER). Currently, NSP offers State Schemes only for 16 states (including Uttarakhand).

In addition, NSP hosts UGC/ AICTE schemes as well. While AICTE deals with scholarship to technical education, UGC schemes include the following scholarships:

I) ISHAN UDAY: Special Scholarship Scheme For North Eastern Region
II) PG SCHOLARSHIP FOR UNIVERSITY RANK HOLDERS)1st and 2nd Rank Holders)
III)NATIONAL SCHOLARSHIP FOR POST-GRADUATE STUDIES CHECK YOUR ELIGIBILITY for scholarship on NSP here (https:/scholarships.gov.in/fresh/scheme eligibility page)
