Submission of APAAR (ABC) ID by Students (of Batches 2020 and later)

The University periodically uploads the credit data of the students to nad.digilocker.gov.in which is as per the directions and information received by the University from the Ministry of Education, Govt. of India and other related organizations.

However, many students have not provided their APAAR (ABC) ID to the University which leads to unavailability of credit data of such students on the nad.digilocker.gov.in. The university intends to upload credit data of all the students, so that the such data can later be used by the student for his / her academic or professional requirements.

The students who have not provided their APAAR (ABC) ID to the University are informed to submit their APAAR (ABC) ID to the University using link https://forms.gle/gpeUqBULvbNP1mBo7 by 16-Jul-2025. The APAAR (ABC) ID provided by these students shall be linked to their Exam Roll Nos.

Further, the students who are facing issue in creating APAAR (ABC) ID are suggested to ensure their AADHAAR details are upto date (since APAAR fetches AADHAAR details while creating the ID). After the creation of APAAR (ABC) ID, the student may provide the same using above mentioned link.

Without APAAR (ABC) ID, it is not possible to upload the credit data of students (of Batches 2020 and later) to nad.digilocker.gov.in. The students who fail to provide their APAAR (ABC) ID shall themselves be responsible for non-availability of their credit scores on NAD Digilocker.
