Social Leader

OUR VISION

To be a leading institution of higher education committed to providing quality education, fostering ethical values, and nurturing a culture of excellence, innovation, and global competence. The college strives to promote the holistic development of students by enhancing their knowledge, skills, creativity, and leadership qualities in alignment with the National Education Policy and the evolving needs of society.

OUR FOUNDERS & VISIONARIES

RAI BAHADUR

(Late) Dr. Brijendra Swarup,
M.A., LL.B., LL.D.

LATE DR. VIRENDRA SWARUP

Former Chairman,
UP Legislative Council
Founder of the College

LATE SHRI JAGENDRA SWARUP

Advocate, M.L.C.

OUR MISSION

To develop the institution into a center of excellence in higher education.

To nurture human potential by fostering creativity, innovation, critical thinking, and academic excellence among students.

To bridge the urban-rural divide by extending the benefits of quality education to students from hilly, rural, and marginalized communities, thereby promoting their empowerment.

To strengthen the physical and academic infrastructure of the college through the integration of Information and Communication Technology (ICT) and other modern teaching-learning resources.

To promote equality, social justice, and inclusiveness by eliminating all forms of prejudice and discrimination.

To ensure equal opportunities for all, irrespective of gender, caste, creed, religion, or socio-economic background.

To inculcate a sense of responsibility, ethical values, cooperation, leadership, self-confidence, and respect for diversity among students.

To empower students with knowledge, skills, and competencies that enhance their decision-making ability, leadership qualities, and lifelong learning capabilities.

भारत का राष्ट्रगीत

बंकिम चन्द्र चट्टोपाध्याय

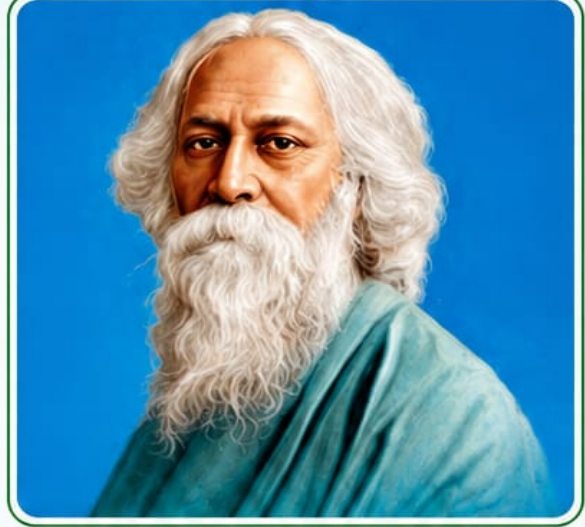

‘वन्दे मातरम्’ के रचयिता

27 जून 1838 – 8 अप्रैल 1894

वन्देमातरम का अर्थ है कि, मैं अपनी माँ “मातृभूमि-भारत” से प्रार्थना करता हूँ। सन् १८५७ के प्रथम स्वतन्त्रता आन्दोलन के बाद मातृभूमि के प्रति उमड़ रहे प्रेम एवं सन्यासियों के विद्रोह के समय इस गीत को श्री बंकिमचन्द्र चट्टोपाध्याय ने सन् १८८२ में अपने उपन्यास आनन्दमठ में बंगाली और संस्कृत मिश्रित भाषा में लिखा था। इस गीत ने भारतीय स्वतन्त्रता अभियान के समय में महत्वपूर्ण भूमिका निभाई थी। पहली बार श्री रविन्द्र नाथ टैगोर ने भारतीय राष्ट्रीय कांग्रेस अधिवेशन में इस गीत को गाया था। भारत की स्वतन्त्रता के बाद सन् १९५० में इस गाने के पहले दो छन्दों को “राष्ट्रीय गीत” के रूप में अपनाया गया। आइये सशक्त एवं वैभवशाली राष्ट्र के निर्माण के लिए “मातृभूमि-भारत” का वन्दन करें।

वन्दे मातरम् वन्दे मातरम्!
सुजलाम, सुफलाम् मलयज शीतलाम्
शस्यश्यामलाम् मातराम्!
वन्दे मातरम्!
शुभ्रज्योत्सनाम् पुलकितयामिनीम्
फुल्लकुसुमित द्रुमदल शोभिनीम्
सुहासिनीम् सुमधुर भाषिणीम्
सुखदाम् वरदाम्, मातराम्!
वन्दे मातरम् वन्दे मातरम्॥

भारत का राष्ट्रगान

Rabindranath Tagore (Thakur)

रवीन्द्रनाथ टैगोर (ठाकुर) द्वारा मूल रूप से बांग्ला में रचित गीत ‘जन-गण-मन’ को संविधान सभा द्वारा 24 जनवरी, 1950 को भारत के राष्ट्रगान के रूप में हिंदी में अपनाया गया था। इसे बजाने का समय लगभग 52 सेकंड है।

जन गण मन

जन-गण-मन अधिनायक जय है
भारत भाग्य विधाता।
पंजाब-सिन्धु-गुजरात-मराठा
द्राविड़-उत्कल-बंग
विध्य हिमाचल यमुना गंगा
उच्छल जलधि तरंग
तब शुभ नामे जागे,
तब शुभ आशिष मांगे
गाहे तब जय-गाथा।
जन-गण-मंगलदायक जय हे
भारत भाग्य विधाता
जय हे, जय हे, जय हे,
जय जय जय जय हे॥

Secretary's Message

Dear Students,

It gives me an immense pleasure to welcome all students who have earned admission to DBS (P.G.) College, Dehradun through their hard work and merit. Since 1961, this institution has been a beacon of higher education, blending timeless Indian values with modern knowledge and innovation.

At DBS (PG) College, education goes beyond classroom learning. We strive to nurture character, leadership, creativity, and a lifelong commitment to excellence. Our mission is to empower young minds through knowledge, skill development, research, and ethical values, enabling them to contribute meaningfully to society and the nation.

The college offers a vibrant academic environment enriched by opportunities in NSS, NCC, Rovers and Rangers, sports, cultural activities, research, internships, skill-development programmes, and career-oriented initiatives. Through collaborations with leading institutions and the implementation of the National Education Policy 2020, students are encouraged to explore their potential and pursue academic distinction.

Our distinguished alumni serve with excellence in academia, administration, defence services, scientific research, industry, corporates and international organizations, reflecting the strong foundations and Leadership skills provided by this institution.

As you begin this new chapter, I encourage you to make the most of every opportunity, embrace challenges with confidence, and strive for holistic growth. Together, let us uphold the proud legacy of DBS (P.G.) College and work towards a brighter future and new beginning.

I wish you a successful, fruitful enriching, and memorable academic journey.

Manvendra Swarup
Secretary,
Board of Management

Principal's Message

Dear Students,

It gives me immense pleasure to welcome you to **DBS (PG) College, Dehradun**, an institution with a rich legacy of academic excellence, discipline, and holistic development. As you embark on this new phase of your educational journey, you become a valued member of a vibrant learning community committed to nurturing knowledge, character, creativity, and social responsibility.

Higher education today extends far beyond the pursuit of a degree. It is a transformative journey that equips students with the knowledge, skills, values, and confidence required to thrive in an ever-changing global environment. At DBS (PG) College, we strive to create an inclusive and intellectually stimulating atmosphere where students are encouraged to think critically, innovate creatively, and grow into responsible, compassionate, and ethical citizens.

Guided by the vision of the **National Education Policy (NEP) 2020**, the College is committed to providing multidisciplinary, flexible, and learner-centric education that prepares students for academic excellence, professional success, and meaningful contribution to society. Through academic flexibility, research opportunities, internships, Value Added Courses, Skill Enhancement Courses, community engagement, and experiential learning, we aim to empower every student to realize their full potential and pursue excellence in their chosen fields.

We also recognize the significance of India's rich intellectual and cultural heritage. Through initiatives under the **Indian Knowledge Systems (IKS)** framework, students are encouraged to appreciate and explore the timeless wisdom embedded in Indian philosophy, science, literature, arts, culture, and sustainable living practices. This integration of traditional knowledge with contemporary education nurtures a deeper understanding of our civilizational values while preparing students to address modern challenges with wisdom and innovation.

At DBS (PG) College, we firmly believe that education is not confined to classrooms. Participation in sports, cultural activities, NCC, NSS, Rovers and Rangers, extension programmes, and community service plays an equally vital role in shaping well-rounded personalities. These activities foster leadership, teamwork, discipline, resilience, empathy, and a spirit of service-qualities that are indispensable for responsible citizenship and lifelong success.

Our highly qualified and dedicated faculty members continuously update their knowledge, teaching methodologies, and research capabilities to provide students with an enriching learning experience. By fostering inquiry, innovation, ethical values, and lifelong learning, they inspire students to develop intellectual curiosity and a passion for continuous self-improvement.

As you begin this exciting chapter of your life, I encourage you to embrace every opportunity, face challenges with determination, and strive for excellence in every endeavour. Make the most of the resources, guidance, and opportunities available at the College. Remember that true success lies not only in academic achievements but also in developing integrity, humility, compassion, tolerance and the ability to make a positive difference in the lives of others.

The renowned philosopher **J Krishnamurti** observed that the true purpose of education is not merely to prepare individuals for a profession but to awaken intelligence, foster self-awareness, and liberate the mind from mechanical conditioning. He believed that education should help create complete human beings capable of understanding themselves, living harmoniously with others, and contribute meaningfully to society. At DBS (PG) College, we are committed to translating this philosophy into practice by nurturing individuals who are not only academically competent but also socially conscious, ethically grounded, and globally responsible.

I wish you a fulfilling, enriching, and successful academic journey. May your years at DBS (PG) College be filled with learning, discovery, achievement, and cherished memories. Together, let us build a future founded on knowledge, wisdom, innovation, and service to humanity.

With my best wishes for your success and bright future,

श्रम एव जयते *Only hard work triumphs.*

Prof. Anil Kumar Pal

ABOUT THE COLLEGE

- Inspiration provided by the pre-independence reformatory movement under the auspices of the Arya Samaj led to the establishment of *Dayanand Shiksha Sansthan*, Kanpur as a nodal body that was mandated to transform the landscape of widely prevalent illiteracy to resurgent India and DBS (P.G.) College, Dehradun, was one of the outcomes of these cherished ideals.
- DBS (PG) College is affiliated with HNB Garhwal University [formerly a state university, upgraded to a central university in 2009] for the education of humanities, social sciences, and sciences. Its affiliation to Sri Dev Suman Uttarakhand University caters to the affiliation of some professional courses e.g., Microbiology, Biotechnology, Biochemistry, and Library sciences. The college fully complies with the rules and regulations of affiliating universities to give the highest priority to students' interests.
- Admissions are provided from undergraduate [with honours] to postgraduate level. College also offers a unique opportunity to carry out Ph.D. and post-doctoral work. College charges a fee as per the rules of the State Government and the University, which is far less than private institutions located in town.
- This college has a very inclusive teaching learning environment. College does not discriminate students on the basis of caste, creed, religion, gender, or region. College campus is a ragging free campus. Zero cases of ragging have been reported till now.
- College teams regularly participate in girls and boys' university sports events and other games activities. Students regularly participate in in-house and outhouse cultural and literary activities with distinction.
- Large number of PG students are getting summer training/internships/facility to work in institutions for their dissertations in reputed institutions like WIHG, ONGC, IIRS, FRI, DEAL, IIP, SGRR University, DES Uttarakhand, different departments of the State Government etc.
- Seminars /Symposiums/Training/Workshops are held regularly to enhance skills of students and faculty members
- Students can also participate in literary activities through the college magazine 'Vigyanda', College quarterly bulletin 'DBS Speaks', IKS wall magazine 'Anvikṣā'.
- Students can join NCC, NSS, Rovers, Rangers, Cultural Group, Sports Groups, Various Students Clubs and participate in various activities throughout the year.
- College has signed MoUs with various organizations of National repute.
- College has received ISO 9001: 2015 certification on Quality Management Systems, Environmental Management Systems and also Occupational Health and Safety Management Systems

PROGRAMMES & COURSE STRUCTURE

A. FOUR YEAR UNDERGRADUATE PROGRAMME (FYUP) - 4 YEARS, 8 SEMESTERS:

Following two Multidisciplinary Programmes are offered under FYUP in the College:

Bachelor of Science (B.Sc. Honours/Honours with Research) in SCIENCE with Single Major (Subject):

Botany, Chemistry, Defense & Strategic Studies, Geology, Mathematics, Physics, Zoology

Bachelor of Arts (B.A. Honours/Honours with Research) in ARTS with Single Major (Subject):

Defense & Strategic Studies, Economics, English, Geography, Hindi, Mathematics, Sociology

B. POST GRADUATE (PG) PROGRAMME UNDER NEP 2020:

Master of Science (M.Sc.) - 2 YEARS, 4 SEMESTERS:

Botany; Chemistry; Geology; Mathematics; Physics & Zoology.

Master of Arts (M.A.) - 2 YEARS, 4 SEMESTERS:

Economics; English & Geography

Master of Arts (M.A.) - 1 YEARS, 2 SEMESTERS

Economics; English & Geography

Master of Science (M.Sc.) - 1 YEARS, 2 SEMESTERS

Botany; Chemistry; Geology; Mathematics; Physics & Zoology.

SEAT AVAILABLE FOR ADMISSION IN FIRST SEMESTER

RULES FOR ADMISSION FOR ACADEMIC SESSION 2026-27

The college will follow rules and regulations as framed by the HNB Garhwal University (A Central University) and orders of the Government of Uttarakhand for admission.

1. Admission to UG First Year courses shall be based on the merit of the CUET & for PG course shall be based on the merit of the University Entrance Examination. Registration form for admission will submit on H.N.B. Gharwal University Samarth portal. Submission of the online admission application form does **not** guarantee admission to the college.
2. Admissions shall be granted only against the number of seats sanctioned by the University.
3. **College Provides reservation of seats to candidates of eligible categories as per quota fixed by the Government of Uttarakhand. At present 19%, 4%, and 14% of seats are reserved for SC, ST, and OBC categories, respectively. There is also a provision for horizontal reservation of 30%, 5%, 4%, and 2% for Uttarakhand women, Ex-defence personnel, physically handicapped, and dependents of freedom fighters, respectively. The reserved seats are available to candidates having a domicile certificate of Uttarakhand only.**
4. **In the case of OBC, candidates are required to produce a non-creamy layer certificate (Certificate issued not before July 1, 2024) as per Government of Uttarakhand norms.**
5. **For regular courses, 90% of seats in the college are reserved for candidates of Uttarakhand and 10% for other states.**
6. **10% reservation of EWS category will be permissible only after increasing the seats in each class by the Government of Uttarakhand and the University. The college cannot do any admission in this category without the order of the Government of Uttarakhand and the University**
7. The fractional rounding shall not be admissible for calculating the minimum eligibility criteria i.e. 44.9% or 39.9% shall not be treated as 45% or 40%.
8. If the CUET Score of two candidates is the same, then the eligibility criterion for admission will be the average percentage of 12th class and if the 12th percentage of both candidates is the same, admission will be based on the date of birth.
9. Applicants who might have appeared in the Compartment/Supplementary Examination may apply for admission. However, such applicants shall be considered for admission, subject to their clearing the Compartment/supplementary Examination, only if they had submitted their admission forms well in time and if their final result might have been declared before preparing the final merit list for admission.
10. For gap year, the candidate has to produce an affidavit while seeking admission in a higher class.
11. While filling out the admission application form, please ensure that:
 - a) The application form has been completed properly and bears the signatures of both the applicant and the parent/guardian in the prescribed places.
 - b) The application form must contain the applicant's latest photograph and address.
 - c) If the qualifying examination has been passed from another university, the applicant must upload the original Migration Certificate issued by that university along with the university examination application form. Incomplete application forms shall not be considered. After the last date for submission/uploading of application forms, no document of any kind may be attached or uploaded to the application form.
12. Incomplete application forms that are not accompanied by the required documents/attachments shall not be considered. After the last date for submission/uploading of application forms, no document of any kind may be attached or uploaded to the application form.
13. Do not attach original copies of mark sheets or caste/preference certificates with the admission application form. Only self-attested photocopies should be submitted. Original documents may be required for verification/admission counseling.
14. Applicants are warned not to furnish any false information or conceal any facts in their application forms. Copies of mark sheets and certificates submitted by them may be sent to the concerned universities/examination boards for verification. If any document is found to be false after verification, not only will the admission be cancelled, but legal action may also be initiated.
15. Students of other states will have to submit police verification from the place where he or she last completed regular study.
16. Every applicant is required to submit an undertaking before the admission committee signed by their guardian in the prescribed form stating that they would not indulge in ragging.
17. An **Aadhaar Card Number** is mandatory for provisional admission.

18. After selection in the merit/preference list, the applicant must submit the College Admission Form along with all required certificates/documents to the concerned Admission Committee. Admission shall be granted only after verification of all certificates/documents and approval by the Admission Committee.
19. Every possible care is taken while preparing the merit list. However, if any error is detected at any stage, it shall be rectified, even if such correction affects the merit position of any candidate. Inclusion of a candidate's name in the merit list due to an inadvertent error shall not confer any right to admission. The Admission Committee reserves the full right to cancel such admission at any stage.
20. If seats remain vacant after granting admission to applicant in the Main Merit List, applicants in the Waiting List shall be given an opportunity for admission. More than one Waiting List may be prepared, and such lists shall be declared sequentially as and when seats become vacant.
21. All admission-related information, including the last date for submission of application forms, merit list, selection for admission, fee submission dates, etc., shall be communicated only through the Department/College Notice Board and the College Website. Therefore, applicants are advised to regularly check the notice board and website. (<https://www.dbscollegedehradun.ac.in>)
22. Candidates seeking admission are advised to contact the admission-in-charge of respective admission committee for proper information. No excuse will be accepted for ignorance and misunderstanding about requirements.
23. The candidate, who have been detained or failed in a class or dropped out, shall not be granted regular admission. Such candidate can appear as year back students in the university examination.
24. Applicants will not be granted admission to the same class as might have been passed by them even with a change in Subject(s) studies. This means, that a student who has passed B.Sc./BA. will not be granted admission to B.Sc./BA with a different combination of subjects and an applicant who may have passed M.Sc./M.A. in one subject will not be granted admission to M.Sc./M.A. in another subject. [as per old system]
25. Applicants who have been punished for adopting unfair means at an examination or have been convicted by a court of law for a crime committed by them or have been expelled/rusticated by the Colleges/University or have been found to be guilty of indulging in ragging in the institution(s) attended by them, prior to seeking admission to the college, shall not be granted admission
26. As per University regulations, Casual Admission in any class of the college is strictly prohibited.
27. The multiple entry-exit system is available for the students under NEP system from 2025-26.
28. Admission of Kashmiri Migrants: The concessions will be provided to the Kashmiri migrants as per the direction of the State Government.
29. Admission rules for foreign students: The rules will be same as adopted by the affiliating university. The details regarding eligibility criteria and admission guidelines are available on the website www.hnbg.ac.in.
30. It is made clear that in MSc Chemistry there is specialization in ORGANIC CHEMISTRY. Students seeking admission in MSc Chemistry will have to submit an affidavit that they will not apply for transfer of their admission after IInd semester to pursue their studies in Physical or Inorganic Chemistry in other colleges.
31. After obtaining admission, all students must personally appear before the Chief Proctor for signing and issuance of their Identity Card. Students must not hand over their Identity Card to any other person.

Weightage Point for Admission in UG/PG Classes

Students seeking admission to the programmes /courses of the College shall be given weightage for participation in co-curricular activities to be restricted to a maximum of 5 marks in accordance with the details specified below:

- a) NSS B-Certificate or 240 hours + two special camps-1; NSS C certificate- 2 participation in National Integration Camp / Republic Day Parade-3 (maximum 3 in all);

Note: In compliance of an interim order of Hon'ble High Court of Uttarakhand dated 11-04-14 in WP (PIL) No. 164 of 2013, the Government of Uttarakhand vide order no. 152 (1) XXIV (N)/ 2014 dated 11 June 2014 and H.N.B. Garhwal University vide its order No. ACD/429/14 dated 06/06/2014 have directed the colleges to grant admission strictly within the sanctioned limit and on the basis of merit.

General Instruction for filling Online Merit/Admission Form for Registration

Instructions for Online Registration

1. For admission to B.A. I Semester and B.Sc. I Semester, applicant must upload scanned copies of:
 - Qualifying Examination (10+2) Mark Sheet
 - CUET (UG)-2026 Score Card
 - Certificates for claiming weightage, if applicable
 - Recent coloured passport-sized photograph
 - Signature of applicant
2. For admission to M.A. I Semester and M.Sc. I Semester, candidates must upload scanned copies of:
 - All mark sheets of B.A./B.Sc. (I, II & III Year / All Semesters)
 - University Entrance Examination (UET)-2026 Score Card
 - Certificates for claiming weightage, if applicable
 - Recent coloured passport-sized photograph
 - Signature of applicant
3. The size of the photograph and candidate's signature should not exceed 5 KB each. The size of all other documents should not exceed 500 KB.
4. Applicants seeking admission to B.Sc. I Semester are advised to fill separate Merit Forms for each eligible subject group i.e. Life Science and Mathematics Group.
5. Applicants are advised to verify their eligibility and subject mapping requirements on the HNB Garhwal University website www.hnbgau.ac.in before submitting the Merit Form.
6. Students should keep their User ID and Password confidential and should not disclose them to anyone.

Instructions for Merit Listed Candidates

1. Applicants whose names appear in the Merit List shall immediately complete their registration on the D.B.S. (P.G.) College Admission Portal (<https://admission.dbscollegedehradun.ac.in/registration.aspx>) and report to the concerned Admission Committee for counselling and admission on or before the prescribed date.
2. The applicant must appear personally before the Admission Committee along with all original certificates and testimonials for the verification of his/her academic record and identity.
3. Candidates shall submit:
 - Downloaded copy of the Admission/Merit Form
 - Original Transfer Certificate (T.C.)
 - Original Character Certificate (C.C.)
 - Undertaking certificates of Anti-Ragging & Anti-Drugs

- Self-attested photocopies of qualifying examination mark sheets and other relevant documents.
- 4. Applicants seeking admission under a reserved category must attach a copy of the caste certificate issued by the competent authority. Admission under reserved categories shall be governed by the reservation policy of the Government of Uttarakhand. OBC candidates must submit a valid Non-Creamy Layer Certificate issued as per Government norms (OBC certificate not before than July 2024).
- 5. Applicants shall submit a copy of the CUET (UG)-2026 Score Card for UG admission or the University Entrance Examination-2026 Score Card for PG admission.
- 6. Admission fee must be deposited within the stipulated time. Failure to deposit the fee within the prescribed period may result in cancellation of the admission offer and the seat may be offered to the next eligible candidate.
- 7. A copy of the online fee payment receipt must be submitted to the concerned Admission Committee.

Other Important Instructions

- No applicant shall be admitted to any course / programme offered by the College after the expiry of the notified last date for admissions. The said last date of admission shall not be extended even if all the available seats in a given course/programme may not have been filled and some seats might be vacant after the expiry of the last date of admission.
- All SMS from the college regarding college admission will be sent to the applicant's registered mobile number [Number filled up during online registration]. The college will not be responsible for change in the candidate's mobile number and non-receipt of SMS.
- Applicants are strictly required to note the last date of admission of candidates in a particular merit list.
- Fees to be strictly submitted within the stipulated date. Admission may be cancelled by the admission committee if fee is not submitted within the stipulated date and the candidate will have no claim for admission in future.
- It is mandatory for a student to have college I- Card. A student of D.B.S. (PG) College Dehradun must have his/her I-Card while entering the college campus. Contact the I- Card section positively after 10 /15 days for I- Card, after your admission process is over.
- The College expects all students to adhere to the established rules and regulations in order to maintain discipline, dignity, and a conducive academic environment both within and outside the campus. All students shall participate in the singing of the National Anthem and the National Song at the prescribed times and on designated occasions. Students are expected to actively cooperate in maintaining cleanliness and hygiene throughout the college premises, including classrooms, laboratories, corridors, and washrooms. Every student must conduct himself/herself in a responsible, respectful, and disciplined manner. Any act of indiscipline, misconduct, or violation of college rules shall invite appropriate disciplinary action against the concerned student(s) in accordance with the regulations of the College.

FOUR-YEAR UNDERGRADUATE PROGRAMME (FYUP)-2026-27

(Effective for batches admitted from 2026-27 onwards and for the 2025-26 batches from Second year)

Keywords

Programme: An educational programme leading to the award of a degree, diploma, or certificate.

Course: Commonly referred to as a "paper," a course is a component of a programme. Courses may carry different credit weights and are designed to achieve defined learning objectives and outcomes. A course may comprise lectures, tutorials, laboratory work, fieldwork, outreach activities, project work, vocational training, viva voce, seminars, term papers, assignments, presentations, self-study, or a combination of these components.

Semester: Each semester shall consist of 15–18 weeks of academic engagement, equivalent to 90 teaching days. The Odd Semester runs from July to December, while the Even Semester runs from January to June.

Credit: A unit used to measure academic workload. One credit is equivalent to one hour of lecture/tutorial or two hours of practical/field/dissertation work per week. A one-credit course corresponds to 15 hours of instruction per semester.

Lecture (L): Credits allocated for classroom-based instruction aimed at imparting theoretical concepts, principles, and disciplinary knowledge through lectures, seminars, and presentations.

Tutorial (T): Credits assigned for small-group interactions, discussions, problem-solving sessions, remedial teaching, and guided academic exercises designed to reinforce concepts taught in lectures.

Practical (P): Credits devoted to hands-on learning, laboratory work, field studies, project-based activities, and other forms of experiential learning.

Selection of Major, Minor, and Multidisciplinary/Interdisciplinary (MD/ID) Courses

- In the first semester, students shall select two discipline-specific subjects: one **Major** discipline and one **Minor** discipline. The Minor discipline may be chosen from a different disciplinary group, subject to the academic framework and eligibility criteria prescribed by the University from time to time.
- Students shall also choose Multidisciplinary/Interdisciplinary (MD/ID) courses from a basket of courses offered by designated departments or disciplines as approved by the University.
- Accordingly, from the first semester onward, every student shall ordinarily pursue the following academic components simultaneously:
 - One Major discipline (Subject);
 - One Minor discipline (Subject); and
 - One basket of Multidisciplinary/Interdisciplinary (MD/ID) courses.
- Subject to the fulfilment of prescribed credit requirements, MD/ID courses undertaken during the initial semesters may contribute towards progression into an advanced multidisciplinary/interdisciplinary study pathway in subsequent semesters. However, such courses shall not automatically constitute an additional Minor unless specifically provided for under the relevant Ordinances or programme structure approved by the University.

Levels of Courses Offered under FYUP

Major Course: The Major discipline represents the principal area of academic specialization in which the degree is awarded. To earn a degree with a Major, a student must complete at least 50% of the total programme credits in the chosen discipline. The Major component includes Discipline Specific Core (DSC) Courses, Discipline Specific Elective (DSE) Courses, Skill Enhancement Courses (SEC), Field Visits/Vocational Training/Internships, and Project Work related to the discipline. Students must satisfy the minimum credit requirements prescribed for their respective programme.

Discipline Specific Core Course (DSC–Major): Mandatory courses associated with the Major discipline that provide foundational and advanced knowledge essential to the subject area.

Discipline Specific Elective Course (DSE–Major): Elective courses offered within the Major discipline that allow students to tailor their studies according to their academic interests and career aspirations, thereby providing flexibility and specialization within the Major framework.

Discipline Specific Skill Enhancement Courses (SEC):

These courses are directly aligned with the core discipline(s) chosen by students under the Four-Year Undergraduate Programme (FYUP). SECs are designed to enhance practical and professional skills related to the student's major discipline. They include specialized skill-based courses offered by departments and may also encompass additional skill-oriented courses under various categories. Skill Enhancement Courses (SECs) are also available as part of the Minor course framework.

Minor Course:

A Minor discipline enables students to broaden their academic knowledge and develop skills beyond their Major discipline. It includes additional, vocational, and specialized courses designed to complement the Major. To earn a Minor, a student must complete a minimum of **24 credits** during the four-year programme.

Discipline Specific Minor:

Discipline Specific Minor courses comprise a selection of subject-specific courses that satisfy the credit requirements prescribed for a Minor. Skill Enhancement Courses (SECs) may also be included within the Minor curriculum. A total of 32 credits may be offered under the Discipline Specific Minor over four years; however, students must earn a minimum of 24 credits to qualify for the award of a Minor in Discipline Specific (Minor).

Multidisciplinary/Interdisciplinary (MD/ID) Minor:

Under the MD/ID framework, students may pursue additional courses categorized as Multidisciplinary or Interdisciplinary. Up to **24 credits** may be offered under the MD/ID Minor category. Students must earn at least **16 credits** in MD/ID courses, while **24 credits** are required for the award of a Minor in the MD/ID category.

Additional Courses (Minor):

These courses are offered in addition to the core subjects selected by students at the time of admission to the undergraduate programme. Their objective is to broaden students' academic exposure and enhance their skill sets beyond their primary discipline. Additional courses are of two types:

- **Interdisciplinary (ID) Courses:** Offered across the first four semesters (Semester I to Semester IV).
- **Multidisciplinary (MD) Courses:** Offered for two semesters in each selected subject, either during Semesters I–II or Semesters III–IV.

Interdisciplinary (ID) Minor:

Departments offering Interdisciplinary courses provide students with the opportunity to continue studying the same additional subject from the first to the fourth semester. Students who opt for an ID subject in the first semester are ordinarily required to continue with the same subject up to the fourth semester.

Multidisciplinary (MD) Minor:

Students opting for a Multidisciplinary Minor may study one subject during the first academic year (Semesters I and II) and another subject during the second academic year (Semesters III and IV).

Other Minor Courses:

In addition to the above categories, Minor courses may include other discipline-specific courses that satisfy the prescribed credit requirements for a Minor.

Important Notes:

- The concept of a Minor is applicable only when a student is enrolled in a Major discipline.
- Students may continue pursuing additional courses (Interdisciplinary or Multidisciplinary) as Minor courses during the **7th and 8th semesters** of the FYUP, subject to University regulations.

Skill Enhancement Courses (SEC):

Apart from discipline-specific SECs, Skill Enhancement Courses are also offered under the **Additional Multidisciplinary Skill Courses (AMSC)** and **Multidisciplinary Skill Enhancement Courses (MD-SEC)** framework during the first year of FYUP. Students may choose from a basket of AMSC courses offered by the University. Each student is required to opt for **one MD-SEC course in Semester I and one MD-SEC course in Semester II**.

Additional Multidisciplinary Skill Courses (AMSC):

AMSCs provide students with opportunities to acquire skills beyond their core discipline and promote multidisciplinary learning. These courses are designed to develop competencies across diverse fields, thereby broadening students' academic, professional, and employability horizons.

Value Addition Courses (VAC):

Value Addition Courses (VACs) are non-discipline-specific courses intended to enrich students' overall personality development and social awareness. These courses focus on areas such as community engagement, environmental awareness, culture, traditional and moral values, and other contemporary concerns. Students are required to complete the VACs prescribed by the College during different semesters of the programme.

Ability Enhancement Courses (AEC):

Ability Enhancement Courses (AECs) are designed to strengthen essential competencies and communication skills. Common AEC offerings include **Indian Modern Language, Indian Knowledge System (IKS), and Communication Skills**. These courses aim to improve language proficiency, cultural understanding, communication abilities, and other foundational skills necessary for academic and professional success.

Indian, Modern and Regional Language (IMRL):

The Indian, Modern and Regional Language (IMRL) component includes **Hindi, Sanskrit and English**. Students are required to study **two different languages during the second year**, with one language in one semester and another language in the subsequent semester. In addition, a course titled **"Heritage of Indian Languages"** shall be offered, which students may be opted for in lieu of any one prescribed language course, subject to the regulations of the programme.

Vocational Courses:

Vocational Courses are designed to equip students with industry-relevant and employment-oriented skills through specialized training aligned with the needs of businesses, entrepreneurship, and local industries. Emphasizing experiential learning, these courses provide practical exposure through workshops, laboratories, field practice, and skill-development activities.

Industrial Visit:

The Industrial Visit course aims to provide students with practical exposure to industrial environments, thereby bridging the gap between theoretical learning and real-world applications. It enhances understanding of industrial processes, workplace technologies, professional ethics, and entrepreneurship while developing students' observational and analytical skills.

Field Work:

Field Work provides experiential learning opportunities by exposing students to real-life socio-economic, environmental, and societal issues. It enables students to apply theoretical concepts in practical situations and develop solutions to real-world challenges.

Internship:

The Internship component seeks to integrate classroom learning with professional experience by developing practical skills, professional ethics, and employability. Students gain hands-on exposure in industry, research institutions, community organizations, or entrepreneurial ventures relevant to their field of study. Internships may be offered under the **Skill Enhancement Course (SEC)** category or in lieu of other **Discipline Specific Courses (DSC)**, subject to University regulations. A **three-month internship shall carry 10 credits**, equivalent to **3.33 credits per month**, while a **36-day internship shall carry 4 credits** within a semester.

Project Report:

The Project Report aims to foster research aptitude, analytical thinking, and academic writing skills among students. It provides practical experience in identifying research problems, collecting and analyzing data, and presenting findings systematically. This component strengthens subject-specific understanding, promotes interdisciplinary learning, and prepares students for higher studies and professional careers.

Community Outreach Programme:

The Community Outreach Programme is intended to expose students to socio-economic and societal issues through active engagement with communities. It enables students to connect classroom learning with real-life experiences and contribute towards developing practical solutions to community-based challenges.

Additional Multidisciplinary Skill Courses (SEC-AMSC)	Ability Enhancement Courses (AEC)	Value Addition Courses (VAC)
1. Basic Yoga Practices	2. Communication Skills 3. Indian Knowledge System (IKS)	1. Life Skills and Personality Development 2. Understanding and Connecting with Environment 3. Culture, Traditions, and Moral Values

Note: The University reserves the right to revise the programme structure, course framework, or seat allocation in accordance with UGC guidelines, NEP provisions, and University requirements, as notified through the University Admission Prospectus and related regulations from time to time.

Additional Provisions for Multidisciplinary/Interdisciplinary (MD/ID) Minor Courses

- Students opting for an **MD/ID (Minor)** shall not be permitted to choose or repeat subjects/courses that they have already studied at the Higher Secondary (Class XII) level.
- The MD/ID (Minor) subject must be selected from a discipline other than the student's **Major** and **Minor** core subjects/courses chosen at the time of admission.
- A basket of **Multidisciplinary/Interdisciplinary (MD/ID) courses** shall be offered under each subject in accordance with the provisions and objectives of the **National Education Policy (NEP)**.
- Seats allocated for MD/ID courses shall be **over and above the sanctioned intake of core courses** and shall not be adjusted against the core seats of the concerned subject/department.
- Students shall have the option to continue pursuing the same **Interdisciplinary (ID)** or **Multidisciplinary (MD)** course as a **Minor** during the **7th and 8th semesters** of the Four-Year Undergraduate Programme (FYUP), subject to the applicable University regulations.

Note : University Order and availability of subjects will be applicable For single Major Programmes Offered Under FYUP In Arts And Science

***Three Year Bachelor's Degree (Multidisciplinary Programme) (In case of Exit under FYUP) w.e.f 2026-27**

Three-Year Bachelor's Degree (As an exit option after VI Semester under FYUP) A student who opts to exit the Four-Year Undergraduate Programme (FYUP) after successfully completing six semesters shall be awarded a Three-Year Bachelor's Degree with a Major in one subject, provided she/he have earned a minimum of 64 credits in the major discipline out of a total of 128 academic credits. These credits must be earned from any of the multidisciplinary undergraduate programmes offered.

In the case of a student enrolled in the FYUP with two core subjects, she/he shall be eligible for a Three-Year Bachelor's Degree with a Single Major, provided she/he have earned at least 64 credits in one Core subject (from Arts or Science disciplines). These 64 credits must be accrued through Discipline-Specific Core (DSC)/Core Courses (CC), Skill Enhancement Courses (SEC), Discipline-Specific Electives (DSE), and other related courses in the chosen major subject.

Course Structure and Credit Allocation for Multidisciplinary Programmes 2026-27 (For Practical & Non-Practical Based Subjects)

***The following course structure under FYUP is designed for subjects which have practical based courses or have relatively larger emphasis on practical* course-based learning & for non-practical# course.**

First Year (NHEQF Level-4.5)

Course Category	Semester-I						Semester-II

Total		5	20	20			6	20	20
NHEQF Level 5.5	Student on exit after successfully completing three years (i.e., securing minimum required 120 credits along with securing additional 2 credits under SSD course work) will be awarded “Bachelor’s Degree” of three year, in related field/discipline/subject.								
Note: Self and Social Development (SSD) Course: The two credit course under SSD are compulsory for getting UG degree									

Fourth Year NHEQF Level -6.0

In the fourth Year of Four-Year Undergraduate Program (FYUP) two types of programs are offered:

1. UG with Honours 2. UG Honours with Research

Note: Candidates with a minimum CGPA of 7.5 will be eligible to continue their studies into the fourth year of the undergraduate program, leading to a four-year Bachelor's degree (Honours with Research).

Fourth Year (UG with Honours)

(For Practical & Non-Practical based subjects)

The following course structure under FYUP for Multidisciplinary programmes is designed for subjects which have practical based courses or have relatively larger emphasis on practical course-based learning & for Non-practical based Course.

Entry requirement	After completing requirements of a 3-year bachelor's degree (120 credits) and 2 additional credits under SSD, will be allowed to continue studies in the fourth year of the undergraduate programme leading to the four years bachelor's degree (with Honours).									
Course Type	Semester-VII					Semester-VIII

ADMISSION TO PROFESSIONAL COURSES

A. Admission in Professional Courses affiliated to Sri Dev Suman Uttarakhand University, Badshahithol in self-finance mode

Admissions for professional courses affiliated with Sri Dev Suman Uttarakhand University, Badshahithol, will be conducted exclusively through the Samarth portal. This streamlined platform ensures a transparent and efficient admission process for prospective students. By utilizing the Samarth portal system, the university aims to enhance accessibility, simplify application procedures, and provide a seamless experience for applicants. Candidates are encouraged to visit the official university website or contact the admission department for detailed information on the application process and any specific requirements associated with the Samarth portal system.

S No	Courses	No. of Seats	Duration	Annual Fee
1	M.Sc. (Microbiology)	25	2 years (4 semesters)	40,000/-
2	M.Sc. (Biotechnology)	25	2 years (4 semesters)	40,000/-
3	M.Sc. (Bio Chemistry)	25	2 years (4 semesters)	40,000/-
4	B.Lib. & I.Sc.	40	1 year (Annual)	30,000/-

Note: University Examination, Enrolment, and other fees are extra.

Eligibility for Admission in Microbiology/MSc Bio-Technology/ MSc Bio Chemistry /B. Lib. & I. Sc.

1. M.Sc. (Microbiology)

The candidate must have a Bachelor of Science (B.Sc.) degree in CBZ / Microbiology / Industrial Microbiology / MLT / MM / Pharma / BVSC or an equivalent degree from any recognized University.

2. M.Sc. (Biotechnology)

The candidate must have passed B.Sc. in CBZ/ Microbiology / Biochemistry / Genetics / Industrial Microbiology / MLT or an equivalent degree from any recognized university

3. M.Sc. (Bio Chemistry)

The candidate must have passed B.Sc. in CBZ / PCM / Biochemistry or an equivalent degree from any recognized university

4. Bachelor of Library & Information Science (B.Lib. & I.Sc.)

Bachelor of any recognized university

UGC Regulations on Curbing the Menace of Ragging in the College

In view of the UGC Draft regulations 2009 and Supreme Court of India's letter No. 370/04/XIA dated 26 February, 2009 and March 17, 2009 the following provisions have been made by the University/College to curb ragging effectively in its campuses.

Ragging means the following:

Any disorderly conduct whether by words spoken or written or by an act which has the effect of teasing, treating or handling with rudeness any other student, indulging in rowdy or undisciplined activities which causes or is likely to cause embarrassment, annoyance, hardship or psychological harm or to raise fear or apprehension thereof in a fresher or a junior student or asking the students to do any act or perform something which such students will not in the ordinary course do or perform and which has the effect of causing or generating a sense of shame or so as to adversely affect the physique or psyche of a fresher or a junior student. Any of the above acts committed by any student of the same or junior or senior class shall be deemed to be ragging.

1. Punishable ingredients of ragging

- Abetment to ragging;
- Criminal conspiracy to rag;
- Unlawful assembly and rioting while ragging;
- Public nuisance created during ragging;
- Violation of decency and morals through ragging;

- Causing bodily harm, or injury or grievous injury;
- Wrongful restraint;
- Wrongful confinement;
- Use of criminal force;
- Assault as well as sexual offences or even unnatural offences;
- Extortion;
- Criminal trespass;
- Offences against property;
- Criminal intimidation.

Attempts to commit any or all of the abovementioned offences against the victim(s); all other offences following from the definition of "Ragging".

2. Punishment

Depending upon the nature and gravity of the offence as established by the Anti Ragging Committee of the Institution, the possible punishment for those found guilty of ragging at the institutional level; shall be any one or the combination of the following:

- Cancellation of admission.
- Suspension from attending classes.
- Withholding/ withdrawing scholarship/ fellowship and other benefits
- Debarring from appearing in any test/ examination or other evaluation process
- Withholding results.
- Debarring from representing the institution in any regional, national or international meet.
- Rustication from the institution for period ranging from 1 to 4 semesters
- Expulsion from the institution and consequent debarring from admission to any other institution * Fine of Rupees 25,000/-
- Collective punishment: When the persons committing or abetting the crime of ragging are not identified, the institution shall resort to collective punishment as a deterrent to ensure community pressure on the potential raggers.

RIGHT TO INFORMATION ACT, 2005 (RTI, 2005)

The Right to Information Act 2005 provides effective access to information for citizens of India, which is under the control of the public authorities. It promotes transparency and accountability in the working of every public authority. For obtaining information under Right to Information Act, 2005 an application can be made to the Public Information Officer.

Salient Features

1. The prescribed fee for filling the application is Rs. 10/- by way of cash against proper receipt or by way of bank demand Draft or bankers cheque or Indian Postal Order payable to the Principal D.B.S (PG) college, Dehradun.
2. An appeal can be preferred before the 1st Appellate Authority against the decision of the Public Information Officer.
3. Manuals prepared under Section 4(1)(b) of the Right to Information Act 2005 are available on the website of the college.

Refund of Caution Money/Security

Refund of caution money will start from September succeeding the close of the academic year in which the student was studying. It will be refunded to either the candidate concerned or it may be sent to his/her address with due deduction of bank/PO charges. In no case, it will be given to any other person and no authority letter will be entertained. If caution money is not claimed within one year after leaving college it shall be forfeited.

ACADEMIC REQUIREMENT

a) Attendance Rules

It is mandatory for a student of a Course / Programme of the University to put in 75% attendance in all classes including Lectures, Tutorials, and Practical's (wherever applicable) in respect of each subject/paper separately. Students failing in meeting aforesaid minimum attendance criteria shall not be permitted to appear in the internal /sessional Examination for the course being pursued during the academic session concerned.

Candidates are hereby informed that their attendance is reported to the Chief Minister's Office, Uttarakhand, regularly.

b) University Examination and Promotions

From 2018 onwards university examination fee is deposited online in the university account along with the filing of the online examination form. A copy of both will have to be submitted to the college office for further action.

The university examination schedule and rules of promotions as prescribed by the HNB Garhwal Central University will be applicable. Students are required to fill online university examination forms and fees and deposit their hard copies in the college office as per the schedule of the university.

Internal Assessment (Sessional) There will be two sessional tests/internal assessments and one end semester examination for PG Students and one sessional test and one end-semester examination for UG students.

For PG students 40% of the total marks in each paper will be reserved for internal assessment and 30% for UG students. Similarly, there will be one sessional for each practical of the same weightage. Students shall compulsorily attend the sessional tests. The sessional test as part of the continuous internal assessment shall be conducted and evaluated by the teacher offering the course.

For UG Students

Candidate who put in 75% attendance in I and II semester separately but fails to acquire 20 credits in UG I and II semester together shall not be promoted to the III semester, in that case he/she shall cease to be a regular student.

A candidate who thus having ceased to be a regular student, acquires the minimum number of credits for promotion to III semester, shall re-register himself/herself as a regular student for appearing at the examination of III semester.

Provided that a regular candidate who have fulfilled the minimum attendance requirement, fails to secure the required number of credits for promotion to the III semester, may apply for re-registration as a regular student in the I or/and II semester. He/She shall have to fulfill the attendance requirement afresh and shall again perform sessional work and practical and shall appear in the End Semester Examination of all the courses at the next examination of I and II semesters. Any marks obtained in the immediately preceding year and the attendance being disregarded. Similarly a regular candidate who having fulfilled the minimum attendance requirement, fails to secure the required number of credits for attaining degree, may apply for re registration as a regular student in III and/or IV semester. (S)he shall have to fulfill the attendance requirement afresh and shall again perform sessional work and practical and shall appear in the End Semester Examination of all the courses at the next examination of III and IV semesters. Any marks obtained in the immediately preceding year and the attendance being disregarded. However, no candidate shall be permitted to continue as a regular student for more than two times in any semester.

For PG Students

The criteria are the same as mentioned above for UG Students. A candidate who puts in 75% attendance in the I and II semesters separately but fails to acquire 18 credits in the I and II semesters taken together shall not be promoted to the III semester

INSPIRE (Innovation in Science Pursuit for Inspired Research) –

Scholarship for Higher Education (SHE) offered by the Department of Science & Technology aims to enhance rates of attachment of talented youth to undertake higher education in science intensive programmes, by providing scholarships and mentorship. This scheme offers 12000 scholarships every year @ Rs. 80,000/- each, for under-taking Bachelor's and Masters level education in the Natural & Basic sciences, possessing the following criteria:

Students who happen to be among the top 1% in 12th standard at their respective Board Examinations and are pursuing courses in Natural and Basic sciences at the B.Sc. level

How to Apply For INSPIRE Scholarship Visit: <https://www.online-inspire.gov.in/>

Apply online but before filling up the 'Online Application Form'. please scan and store the following documents as separate files so that it can be uploaded as required, during the 'On- line Application' process.

SL. No.	Name of Document	Type	Maximum Size
1.	Passport size photograph (Mandatory)	JPEG	50 KB
2.	Class X Mark Sheet or Certificate, for proof of Date of Birth. (Mandatory)	PDF	1MB
3.A	Class XII Mark Sheet (Mandatory)	PDF	1MB
3B	CUET SCORE CARD	PDF	1MB
4.	Endorsement Form signed by the Principal of College/Director of Institute/registrar of University (Mandatory)	PDF	1MB
5.	Eligibility Note/Advisory Note if provided by the State /Central Board (Not Mandatory)	PDF	1MB
6.	Certificate specifying Rank in IIT -JEE/ AIPMT/NEET/ KVPY/ JBNSTS/NTSE/International Olympic medallists (If Applicable)	PDF	1MB
7.	Community or Cast Certificate (if Applicable)	PDF	1MB
8.	Any other supporting documents	PDF	1MB

INSPIRE FAQs (<https://online-inspire.gov.in/Content/SHEFAQs.pdf>)

To ensure timely disbursement of Scholarships to students on a common portal for various Scholarships schemes and to Avoid duplication in processing, Government of India developed National Scholarships Portal under the National e-Governance Plan which aims at providing common electronic portal for implementing various Scholarships schemes launched by Union Government, State Government and Union Territories across the country. Central Schemes include scholarships provided by the Ministries (Minority Affairs, Social Justice & Empowerment, Labour & Employment, Tribal Affairs, Home Affairs, and Railways) and Departments (Empowerment of Persons with Disabilities, Higher Education, and North Eastern Council(NEC), DoNER). Currently, NSP offers State Schemes only for 16 states (including Uttarakhand).

In addition, NSP hosts UGC/ AICTE schemes as well. While AICTE deals with scholarship to technical education, UGC schemes include the following scholarships:

- I) ISHAN UDAY: Special Scholarship Scheme For North Eastern Region
- II) PG SCHOLARSHIP FOR UNIVERSITY RANK HOLDERS) Ist and IInd Rank Holders)
- III) NATIONAL SCHOLARSHIP FOR POST-GRADUATE STUDIES CHECK YOUR ELIGIBILITY for scholarship on NSP here (https://scholarships.gov.in/fresh/scheme_eligibility_page)

OTHER FINANCIAL ASSISTANCE

Student Aid Fund (College Level):

Partial or full fee concessions may be granted to economically weak students. Application for fee concession must be submitted on the prescribed form obtainable from the college office, duly supported by an income certificate issued by the competent authority. The application completed in all respects must be submitted to the college office, latest by the end of August in the year.

Fee concession granted is subject to good conduct, regular attendance and satisfactory progress in studies and may be withdrawn any time if a student is found neglecting any of these.

All forms will be available from the college office free of cost. In addition to the above concessions, ad-hoc grants may be given from "Student Aid Fund". Students desiring to avail this aid must contact the Dean Students Welfare. Students are encouraged to apply for scholarships offered by the organizations where their parents are working. Viz. ONGC, Army, Banks etc.

Post matric scholarship for Minorities:

Scholarship will be awarded to the minority students who have secured not less than 50% marks in the previous final examination and annual income of their parents/guardian from all sources does not exceed Rs. 2.00 lakh.

Uttarakhand Post Matric Scholarship:

Eligible SC/ST, OBC, EBC Students should submit their scholarship form for the academic year for processing scholarship to SC/ST, OBC, EBC each year via National Scholarships Portal. Students applying for these scholarships are advised to contact college scholarship convenor Dr. Vipin Chanalia, Assistant Professor in Geology before filling the online application or Mr. Mahesh Kumar in the college office.

Others:

TITAN Scholarship for meritorious students pursuing first year UG course with marks >50% in 10th and 12th class.

Note: For some other scholarships applicable for affiliated colleges (if any) the students may check the website of HNB Garhwal University. Fellowships may vary as per University notification and guidelines.

Co-Curricular and Student Development Activities

The College is committed to the holistic development of students and provides ample opportunities for participation in co-curricular, cultural, literary, sports, research, and community service activities. Students are encouraged to actively engage in various programmes and cells that foster leadership, discipline, creativity, social responsibility, research aptitude, and overall personality development.

National Service Scheme (NSS):

The College has three active NSS units (two for girls and one for boys) functioning under the guidance of Senior Programme Officer & Programme Officers. Undergraduate students may enroll as NSS volunteers and participate in various community service activities, awareness campaigns, environmental programmes, and social welfare initiatives aimed at developing civic responsibility and leadership skills.

National Cadet Corps (NCC):

NCC training is imparted separately to boys and girls through dedicated NCC units functioning under the Uttarakhand State Directorate. The boys' and girls' units are affiliated with **29 UK BN** and **11 UK BN**, respectively. NCC aims to develop discipline, leadership, character, patriotism, and a spirit of selfless service among students. Eligible undergraduate students may join NCC and participate in institutional training, camps, adventure activities, social service programmes, and national-level events. Further information regarding enrollment, available vacancies, and related activities may be obtained from the concerned Associate NCC Officers (ANOs).

Rovers and Rangers:

The Rover and Ranger units function under the Bharat Scouts and Guides Organization and provide students with opportunities for personality development, community service, teamwork, leadership, and character building through various training programmes and activities.

Sports and Physical Education:

The College has a well-established Department of Physical Education that promotes sports and games among students. Facilities include courts and playgrounds for Basketball, Volleyball, Cricket, Football, Hockey, Kabaddi, Table Tennis, and other sports. The College regularly organizes and participates in inter-collegiate, university-level, and state-level tournaments, athletics meets, and other sporting events. Students are encouraged to participate actively in sports for physical fitness and overall development.

Cultural and Literary Activities:

The College promotes cultural and literary activities to nurture creativity, intellectual growth, and overall personality development among students. Through its Cultural Committee and various academic initiatives, students are encouraged to participate in music, dance, drama, fine arts, debates, essay-writing competitions, poetry recitations, quizzes, literary discussions, seminars, expert lectures, cultural festivals, and university-level events. The students also participate in Inter-Collegiate University Meets at Srinagar and other places under the supervision of the Committee. These activities provide a platform for students to showcase their talents while developing communication skills, creativity,

confidence, critical thinking, and cultural awareness.

Other Activities, Cells and Committees:

The College promotes social responsibility, environmental awareness, cultural integration, gender sensitization, research, and academic excellence through various cells and committees. These include the **Namami Gange Cell**, **Ek Bharat Shreshtha Bharat Cell**, **Swachh Bharat Cell**, and **Indian Knowledge System (IKS) Cell**, which organize awareness programmes, seminars, workshops, cultural and literary activities, cleanliness drives, and community outreach initiatives. Students enrolled in these cells under the CCS component of NEP are required to complete the prescribed participation hours as per university guidelines.

The College has also established separate **Research Cells** for Science and for Social Sciences & Humanities to promote quality and ethical research among students and faculty members. The **Prevention of Harassment against Women Cell** and **Women Grievance Cell** work to ensure the safety, dignity, and well-being of women students and employees by promoting a campus environment free from harassment and gender-based discrimination. In addition, the **Parents-Teachers Association (PTA)**, **Alumni Association**, **Anti-Ragging Cell**, **Anti-Drug Cell**, **Anti-Tobacco Cell**, and the College **Proctorial Board** contribute to maintaining a safe, inclusive, and academically enriching campus environment.

FACILITIES OFFERED

1. Academic & Learning Resources

- **Library & Reading Room:** A well-stocked library with books, journals, newspapers, and magazines, along with a separate reading room for competitive examination aspirants.
- **E-Granthalaya:** A fully automated library system providing online access to the catalogue and book availability status.
- **Computer Laboratory:** A modern computer laboratory with internet facilities for academic and research purposes.
- **GIS Laboratory:** A fully equipped GIS and Remote Sensing laboratory supporting teaching, training, and research.
- **Multifunctional Laboratory:** A technology-enabled laboratory for computer education, skill development, workshops, seminars, and personality enhancement programmes.

2. Science & Research Facilities

- **Laboratories:** Well-equipped laboratories are available for all science departments.
- **Central Instrumentation Centre:** Provides access to advanced analytical instruments and research facilities.
- **Laser & Dark Room:** Specialized facilities for Physics practicals, optics experiments, and research activities.
- **Materials Research Laboratory:** Supports advanced research projects and postgraduate dissertation work.

3. Student Support Services

- **Competitive Examination Cell:** Provides career guidance, counseling, study materials, and support for competitive examination preparation.
- **Health Services:** Basic medical assistance and first-aid facilities are available on campus.
- **Banking Facility:** A branch of Central Bank of India operates within the campus for the convenience of students and staff.
- **Railway Concession:** Eligible students may avail railway concessions as per Railway and University regulations.

4. College Infrastructure

- **Seminar Room:** A venue for seminars, lectures, workshops, debates, and academic activities.
- **Golden Jubilee Auditorium:** A spacious auditorium for conferences, cultural programmes, seminars, and major college events.
- **Canteen:** Provides refreshments and snacks within the college.
- **Gymnasium:** A well-equipped fitness centre with modern exercise facilities.
- **Parking:** Designated parking facilities are available for students and staff.

5. Student Life & Activities

- **College Magazine – Vigyanda:** The annual college magazine showcases academic achievements, creative contributions, and college activities.
- **Student Union:** Student Union elections are conducted in accordance with Government order and/ or University rules.
